Early Help Developments

We are pleased to inform you that the developed Graduated Pathway will go live from **Monday 31st October 2016.**

The Graduated Pathway of Early Help and Support is one integrated, holistic pathway and builds on the SEND graduated pathway and the Common Assessment Framework (CAF) to ensure every child and young person receives the support they need when they need it most.

We want to let you know of developments in advance to make sure you are well supported in using the pathway. We will be providing support through training as well as a range of tools and information you may need to use the Graduated Pathway in your work with children, young people and families.
