

*****You have been sent this alert as you are signed up to the GSCB
'alert' system*****

In order to share the learning from recent local and national Serious Case Reviews, the GSCB are providing you with an opportunity to attend a FREE 2-hour briefing session. This session will identify key themes emerging from the reviews and ensure that we are learning how best to safeguard children in Gloucestershire.

Please use the booking form attached to book a place at one of the briefing sessions.
